BSC (Honours)  
Statistics  
Minor in Mathematical Science  
University of Toronto  
2023

## SKILLS

Technical: Python; R; SQL; Excel; AXIS;  
Microsoft 365

## PROFESSIONAL CERTIFICATES/AWARDS

Dean's List Scholar: 2023

## INTERESTS/ACTIVITIES

UofT Badminton Club: 2019 - 2023

## EXPERIENCE

University of Toronto  
Teaching Assistant (Applied Probability)  
Sep. 2022-  
Apr. 2023

- Delivered tutorials, office hours & graded projects & exams for 150+ students
- Assisted students in understanding subject materials & responding to questions via discussion board
- Updated materials to ensure lectures are targeted to students by highlighting the most critical take-aways

NewBreak, Mountain View, U.S.  
Data Analysis (Remote)  
Aug. 2022-  
Sep. 2022

- Performed detailed analysis of 1,000,000+ sample data to explore & evaluate the click-through rate
- Developed R codes to illustrate the demographic composition of users in sample data
- Provided valuable insights & data-driven recommendations to product teams

University of Toronto  
Research Project Assistant  
May 2022-  
Aug. 2022

- Simulated one example in the paper by Monte-Carlo simulation about one-sample test for proportion
- Analyzed the primary works of other key authors during the same period to look for parallels with the topic
- Collaborated with other team members to evaluate the literary works
